HISTORY

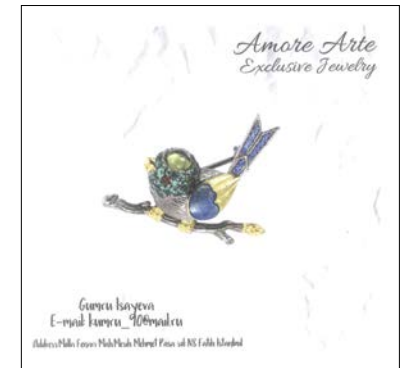

The company was established in 2014 in Turkey and since then we trade continuously with India. Our manufacturing unit is located in India and has skilled craftsmen who can curate variety of shapes and sizes of natural stones. We specialise in handmade and authentic silver jewellery with natural stones. Orders can also be customised with trendy designs. We can also create variety of exquisite designs with natural stones. In India, we are in this business since the last 30 years and is owned by a Maheshwari Family which is a very renowned name in the jewellery industry.
