HISTORY

Since 1988, the founder of Suulin, Selçuk Baydeniz, pursued dreams in Istanbul's Grand Bazaar, the heart of the jewelry sector. He was inspired by the art of making jewelry and was inevitably influenced by this world.

Selçuk Baydeniz had the opportunity to work with expert goldsmiths in workshops and climbed to the top steps of the art of jewelry. In 2006, he founded his dream jewelry brand SUULIN.

Suulin with Italy's skilled craftsmen makes the best to create unique and unusual designs to find a place in the international jewelry world.

The production is carried out in Italy's distinguished, professionally crafted factories. With its advanced technology and dexterity, Suulin gives life to unique and original jewels.
